Ref: 321858_173572 **Date:** 21 – 25 December 2026 **Location:** London (UK) **Fees:** 5400 GBP

Why This Course

In today's complex business environment, organizations face a wide range of risks that can impact operations, compliance, and strategic goals. Risk-Based Internal Auditing RBIA equips internal auditors with the tools to focus on the most critical risks, prioritize audit resources, and provide meaningful insights that drive organizational improvement.

This intensive 1-week program is designed to provide participants with a comprehensive understanding of RBIA methodologies. Through practical exercises, case studies, and interactive discussions, attendees will learn to integrate risk assessment into audit planning, conduct risk-focused audits, and communicate findings effectively to enhance organizational risk management.
