The Essentials of Leadership: Mastering Core Skills

Ref: 321867_174031 **Date:** 23 – 27 November 2026 **Location:** London (UK) **Fees:** 5400 GBP

Why This Course

Effective leadership is the cornerstone of organizational success. In today's fast-paced business environment, leaders must not only manage tasks but also inspire teams, drive change, and cultivate a culture of high performance.

This intensive 1-week program equips participants with the knowledge, skills, and confidence to become impactful leaders. Combining proven leadership frameworks with practical exercises, the course focuses on emotional intelligence, strategic decision-making, team motivation, and change management, preparing leaders to excel in diverse organizational contexts.

What You'll Learn and Practice

By participating in this program, you will:

- Develop a strong foundation in core leadership principles and practices.
- Enhance emotional intelligence and interpersonal communication skills.
- Learn strategies to motivate, engage, and inspire teams.
- Apply tools for strategic thinking, problem-solving, and decision-making.
- Lead organizational change and foster resilient, high-performance cultures.
