Leadership and Strategic Impact: Driving Organizational Success

Ref: 321879_174603 **Date:** 30 August – 3 September 2027 **Location:** Orlando, Florida (USA) **Fees:** 5900 GBP

Course Description

This intensive 1-week course equips leaders with the strategic mindset and practical skills needed to drive organizational success. Participants will learn to analyze complex business environments, develop and communicate strategic plans, and enhance their personal leadership effectiveness. Through a combination of theoretical frameworks and hands-on exercises, leaders will emerge better prepared to guide their organizations through challenges and towards sustainable growth.

Learning Objectives

- Develop a strategic mindset for analyzing complex business environments
- Enhance skills in strategy formulation, communication, and implementation
- Improve personal leadership effectiveness and team management capabilities
- Learn to drive innovation and manage change in organizations
- Develop crisis management and decision-making skills for uncertain environments

Course Modules

Day 1: Strategic Analysis and Thinking

- Understanding the strategic landscape
- Tools for environmental and competitive analysis
- Developing a strategic mindset
- Scenario planning for uncertain futures

Day 2: Strategy Formulation and Innovation

- Core strategy concepts and frameworks
- Developing sustainable competitive advantages
- Fostering innovation in organizations
- Aligning strategy with organizational capabilities

Day 3: Leadership and Communication

- Personal leadership styles and effectiveness
