Ref: 321973_179180 **Date:** 11 – 15 October 2027 **Location:** Brussels (Belgium) **Fees:** 5200 GBP

Why This Course

Successful organizations depend on leaders who can effectively manage people while encouraging innovation and adaptability. Strong relationships, motivated teams, and a culture that supports creativity are essential ingredients for sustainable growth and organizational excellence.

This intensive 1-week program equips leaders with the skills and tools needed to build high-performing teams, strengthen collaboration, and inspire innovation. Through a blend of leadership frameworks, interactive discussions, and practical exercises, participants will develop the capabilities required to guide teams effectively and create an environment where creativity and productivity can thrive.

What You'll Learn and Practice

By participating in this program, you will:

- Build strong and influential relationships that support productive teamwork.
- Develop strategies for motivating and empowering high-performing teams.
- Apply creativity and innovation techniques to address new challenges.
- Manage conflicts effectively and foster collaborative relationships.
- Strengthen strategic thinking and personal productivity.
- Cultivate a proactive culture that encourages innovation and continuous improvement.

The Program Flow

Day 1: Foundations of Leadership Success

- Understanding different leadership styles and their impact on teams.
- Applying emotional intelligence to strengthen leadership effectiveness.
- Building trust and credibility within teams and organizations.
- Strategic planning and setting meaningful goals.

Day 2: Empowering and Motivating Teams

- Applying effective communication strategies for leadership.
- Understanding team dynamics and stages of team development.
- Motivating employees and strengthening engagement.
- Coaching and mentoring team members for improved performance.

Day 3: Fostering Innovation and Creativity

- Understanding the innovation process and its importance in organizations.
- Applying creative problem-solving techniques.
- Creating an organizational culture that encourages innovation.
- Managing and implementing change effectively.

Day 4: Conflict Management and Collaboration

- Identifying common sources of workplace conflict.
- Applying negotiation and mediation skills.
- Building strong collaborative relationships across teams.
- Leading diverse and inclusive teams effectively.

Day 5: Personal Leadership Development

- Strengthening time management and personal productivity skills.
- Developing a growth mindset for continuous leadership improvement.
- Building a personal leadership brand.
- Creating an action plan for ongoing leadership development.

Individual Impact

- Strengthen leadership confidence and interpersonal effectiveness.
- Improve ability to motivate, guide, and develop team members.
- Enhance personal productivity and strategic thinking.
- Gain a structured plan for continuous leadership development.

Work Impact

- Improve team collaboration and organizational performance.
- Encourage innovation and creative problem-solving within teams.
- Strengthen conflict resolution and teamwork across departments.
- Support a culture that promotes engagement, accountability, and growth.

Training Methodology

The program integrates theory with practical application to ensure meaningful workplace impact. Learning methods include:

- Interactive workshops and leadership discussions.
- Case studies and real-world leadership scenarios.
- Group exercises focused on communication and collaboration.
- Leadership self-assessments and reflection activities.
- Practical tools and frameworks for leadership development.

Beyond the Course

By the end of the program, participants will be able to:

- Build strong relationships and lead high-performing teams.
- Encourage innovation and adaptability within their organizations.
- Manage conflicts and strengthen collaboration.
- Apply leadership strategies that support long-term organizational success.
