Comprehensive Insolvency and Bankruptcy Law Training Course

Ref: 322245_192258 **Date:** 11 – 15 October 2027 **Location:** Munich (Germany) **Fees:** 5200 GBP

Why This Course

In today's legal and commercial environment, insolvency and bankruptcy law plays a critical role in addressing financial distress, protecting stakeholder interests, and supporting structured outcomes for debtors and creditors. Whether dealing with personal bankruptcy or corporate restructuring, legal professionals must understand the procedures, rights, priorities, and strategic options that shape insolvency proceedings. A strong grounding in this area is essential for navigating complex cases with confidence and practical judgment.

This intensive 1-week course provides a comprehensive overview of insolvency and bankruptcy law. Participants will gain in-depth knowledge of legal frameworks, procedures, and practical applications in both corporate and personal insolvency cases. The course covers key aspects of bankruptcy proceedings, creditor rights, and restructuring strategies.

What You'll Learn and Practice

By joining this program, you will:

- Understand the fundamental principles and legal framework of insolvency and bankruptcy law.
- Analyze different types of bankruptcy proceedings and their implications.
- Evaluate creditor rights and priorities in insolvency situations.
- Develop strategies for corporate restructuring and debt reorganization.
- Apply legal concepts to real-world insolvency and bankruptcy scenarios.

The Program Flow

Day 1: Introduction to Insolvency and Bankruptcy Law

- Historical context and evolution of bankruptcy law.
- Key principles and objectives of insolvency proceedings.
- Overview of bankruptcy courts and jurisdictions.
- Roles of various stakeholders in bankruptcy cases.

Day 2: Personal Bankruptcy

- Chapter 7 liquidation: procedures and eligibility.
- Chapter 13 debt adjustment: repayment plans and requirements.
- Bankruptcy exemptions and asset protection strategies.
- Discharge of debts and post-bankruptcy considerations.

Day 3: Corporate Insolvency and Restructuring

- Chapter 11 reorganization: process and key features.
- Debtor-in-possession financing and cash collateral.
- Creditors' committees and their roles.
- Plan confirmation and cramdown provisions.

Day 4: Creditor Rights and Priorities

- Secured vs. unsecured claims in bankruptcy.
- Automatic stay and relief from stay.
- Preference actions and fraudulent transfers.
- Priority rules and distribution of assets.

Day 5: Advanced Topics and Practical Applications

- Cross-border insolvency issues.
- Bankruptcy litigation and adversary proceedings.
- Ethical considerations in bankruptcy practice.
- Case studies and practical exercises.

Individual Impact

- Strengthen your ability to navigate complex bankruptcy proceedings with greater confidence.
- Enhance your skills in developing effective strategies for debt restructuring and reorganization.
- Build stronger expertise in protecting client interests in insolvency situations.
- Gain practical insight into both personal and corporate bankruptcy processes.

Work Impact

- Improve legal analysis and decision-making across insolvency and bankruptcy matters.
- Strengthen the ability to manage creditor rights, restructuring strategies, and procedural risks.
- Support more effective handling of distressed financial situations and restructuring cases.
- Enhance professional capability in advising clients through insolvency-related challenges.

Training Methodology

This program integrates legal foundations, procedural understanding, and practical application to ensure real-world relevance and professional impact. Learning methods include:

- Real-world case studies on personal and corporate insolvency matters.
- Practical exercises in restructuring analysis, creditor rights, and bankruptcy procedure.
- Interactive workshops on litigation issues, priorities, and insolvency strategy.
- Group discussions on stakeholder roles, ethical considerations, and advanced bankruptcy topics.
- Frameworks and tools for applying insolvency and bankruptcy law in practice.

Beyond the Course

Upon completion, participants will be better equipped to address insolvency and bankruptcy matters with greater clarity, confidence, and practical understanding. They will return ready to:

- Apply insolvency and bankruptcy law principles more effectively in professional practice.
- Support debt restructuring and reorganization efforts with stronger legal insight.
- Protect creditor and debtor interests more strategically in insolvency situations.
- Navigate advanced bankruptcy issues and cross-border challenges with greater confidence.
