Building Task Leadership Skills: Mastering Productivity

Ref: 322556_203921 **Date:** 22 – 26 November 2026 **Location:** Dubai (UAE) **Fees:** 4200 GBP

Why This Course

Task leadership is the ability to organize work, guide people, manage priorities, and keep teams focused on results. In busy work environments, leaders are expected to balance multiple responsibilities, make timely decisions, communicate clearly, motivate people, and ensure that deadlines are met without losing quality or team engagement.

This comprehensive 5-day Task Leadership Training program equips leaders with practical skills to manage tasks, priorities, deadlines, and team performance more effectively. The course covers leadership confidence, communication, time management, goal setting, delegation, productivity, motivation, conflict resolution, feedback, decision-making, risk assessment, change management, continuous improvement, performance evaluation, and personal development planning. Through practical exercises and workplace scenarios, participants will learn how to lead daily work with greater structure, confidence, and impact.

What You'll Learn and Practice

By joining this program, you will:

- Understand task leadership principles and their practical value.
- Assess your personal leadership style.
- Build confidence and credibility as a leader.
- Apply effective communication strategies.
- Manage multiple tasks and competing priorities.
- Use time management techniques to improve productivity.
- Set clear goals and prioritize work effectively.
- Delegate tasks with clarity and accountability.
- Manage deadlines and follow up on progress.
- Create a high-performance team culture.
- Motivate team members and improve engagement.
- Resolve conflicts and solve problems constructively.
- Give and receive feedback professionally.
- Apply critical thinking, strategic decision-making, and risk assessment.
- Create actionable plans for implementation and improvement.

The Program Flow

Day 1: Foundations of Task Leadership

- Understand the principles of task leadership.
- Explore the link between leadership, productivity, and results.
- Assess personal leadership style and improvement areas.
- Develop confidence and credibility with team members.
- Apply communication strategies that support clarity and accountability.

Day 2: Managing Multiple Tasks and Priorities

- Apply practical time management techniques.
- Set goals that are clear, realistic, and aligned with business needs.
- Prioritize tasks based on urgency, importance, value, and deadlines.
- Use delegation strategies to distribute work effectively.
- Manage deadlines through planning, tracking, and follow-up.

Day 3: Team Productivity and Motivation

- Create a high-performance team culture.
- Apply motivational techniques to improve productivity.
- Identify and address barriers to team performance.
- Resolve conflicts and support collaborative problem-solving.
- Give and receive feedback in a constructive and professional way.

Day 4: Decision-Making and Strategic Planning

- Strengthen critical thinking and analysis skills.
- Apply structured decision-making processes.
- Assess risks linked to tasks, priorities, and team performance.
- Develop practical action plans.
- Connect daily task execution with wider strategic objectives.

Day 5: Implementing Task Leadership Strategies

- Apply change management techniques to improve work practices.
- Use continuous improvement strategies to strengthen team performance.
- Measure and evaluate performance using clear indicators.
- Review progress and identify opportunities for improvement.
- Create a personal development plan for sustained leadership growth.

Individual Impact

- Build greater confidence in leadership and communication.
- Improve ability to manage tasks, priorities, and deadlines.
- Strengthen decision-making, problem-solving, and delegation skills.
- Develop better interpersonal skills for collaboration and feedback.
- Gain practical strategies for immediate workplace application.

Work Impact

- Improve team productivity, focus, and engagement.
- Reduce delays caused by unclear priorities or weak follow-up.
- Strengthen accountability and task ownership.
- Improve communication and collaboration across teams.
- Support better business results through clearer planning and execution.

Training Methodology

This program combines task leadership concepts with practical workplace application through:

- Leadership style and confidence-building exercises.
- Time management and prioritization workshops.
- Delegation and deadline management activities.
- Team motivation, feedback, and conflict resolution scenarios.
- Decision-making and risk assessment case studies.
- Performance evaluation and personal action planning sessions.

Beyond the Course

Upon completion, participants will be able to:

- Lead tasks and priorities with greater confidence.
- Manage deadlines and competing responsibilities more effectively.
- Motivate teams and improve productivity.
- Delegate work clearly and follow up professionally.
- Make better decisions under pressure.
- Apply practical task leadership strategies immediately in the workplace.
