Mastering Interpersonal & Communication Skills in 5 Days

Ref: 322605_205765 **Date:** 4 – 8 October 2027 **Location:** London (UK) **Fees:** 5400 GBP

Why This Course

Strong interpersonal and communication skills are essential for building trust, strengthening relationships, resolving challenges, and achieving success in both professional and personal settings. In the workplace, communication affects almost everything: teamwork, leadership, client relationships, conflict management, productivity, and overall performance.

Effective communication is not only about speaking well. It involves listening with attention, understanding others, expressing ideas clearly, using body language effectively, managing emotions, and adapting your style to different people and situations. Professionals who master these skills are better able to influence, collaborate, present ideas, and handle difficult conversations with confidence.

This intensive 5-day course is designed to help participants enhance their interpersonal and communication capabilities through practical tools, interactive exercises, and real-world applications. Participants will develop greater confidence in verbal and non-verbal communication, active listening, conflict resolution, presentation delivery, and relationship building.
