Balanced Scorecard Professional: Strategic Management

Ref: 322793_214019 Date: 10 – 14 January 2027 Location: Dubai (UAE) Fees: 4200 GBP

Course Description

This intensive 5-day course provides a comprehensive understanding of the Balanced Scorecard methodology for strategic management and performance measurement. Participants will learn to develop, implement, and sustain a Balanced Scorecard system, aligning organizational objectives with key performance indicators across multiple perspectives.

Learning Objectives

- Understand the core concepts and benefits of the Balanced Scorecard approach
- Develop strategic objectives and create strategy maps
- Design and implement effective performance measures and initiatives
- Learn to cascade the Balanced Scorecard throughout an organization
- Gain practical skills in strategic planning and performance management

Course Modules

Day 1: Introduction to Balanced Scorecard

- Evolution of performance measurement systems
- Balanced Scorecard framework and perspectives
- Strategic planning fundamentals
- Case studies of successful implementations

Day 2: Strategy Mapping

- Defining strategic objectives
- Creating cause-and-effect relationships
- Developing a strategy map
- Aligning objectives across perspectives

Day 3: Performance Measures and Targets

- Selecting key performance indicators KPIs
- Setting targets and thresholds
- Developing strategic initiatives
- Balancing lead and lag indicators
