

Social Security Risk Management: Safeguarding Benefits Systems

5 – 9 September 2027
Dubai (UAE)

UK Training

PARTNER

The background of the entire page features a grey and white checkered pattern, reminiscent of a chessboard. In the foreground, several chess pieces are visible: a silver pawn on the left, a silver pawn in the center, and a large gold king piece on the right. In the background, there are concentric, light grey circles that create a sense of depth and focus towards the center of the image.

Course Description

This comprehensive 5-day course equips participants with the knowledge and skills to effectively manage risks in social security systems. Attendees will learn to identify, assess, and mitigate various risks that can impact benefits programs. The course covers risk management frameworks, data analysis techniques, and practical strategies for safeguarding social security systems.

Learning Objectives

- Understand key principles of enterprise risk management in social security contexts
- Develop skills to identify and assess risks to benefits systems
- Learn strategies to mitigate fraud, cybersecurity, and operational risks
- Gain proficiency in data analysis for risk detection and monitoring
- Explore best practices for implementing risk management frameworks

Course Modules

Day 1: Introduction to Social Security Risk Management

- Overview of social security systems and associated risks
- Enterprise risk management principles and frameworks
- Risk identification techniques for benefits programs
- Stakeholder analysis and risk communication

Day 2: Risk Assessment and Analysis

- Qualitative and quantitative risk assessment methods
- Data analysis techniques for risk detection
- Risk prioritization and impact analysis
- Developing risk registers and heat maps

Day 3: Fraud and Cybersecurity Risk Management

- Common fraud schemes in social security systems
- Fraud detection and prevention strategies
- Cybersecurity threats to benefits programs
- Implementing robust information security measures

A graphic featuring the text 'UK Training PARTNER' in a bold, sans-serif font. The word 'PARTNER' is significantly larger and more prominent than 'UK Training'. The text is set against a background of concentric circles and a chessboard pattern.
