Managing Talent Supply Chain: Strategic Workforce Planning

Ref: 328700_225424 **Date:** 8 – 12 February 2027 **Location:** Barcelona (Spain) **Fees:** 5200 GBP

Course Description

This intensive 5-day course equips HR professionals and business leaders with the skills to develop and implement a strategic talent supply chain framework. Participants will learn to anticipate talent needs, optimize workforce planning, and create a unified talent experience that drives organizational success.

Learning Objectives

- Develop a strategic talent management framework aligned with business priorities
- Master proactive workforce planning and succession strategies
- Design a unified talent experience from employer branding to career management
- Implement data-driven talent management practices for impactful insights
- Create a talent supply chain that delivers a positive ROI for all stakeholders

Course Modules

Day 1: Strategic Talent Management Foundations

- Introduction to talent supply chain management
- Aligning talent strategy with business objectives
- Developing a talent philosophy and segmentation approach
- Creating a talent management framework

Day 2: Workforce Planning and Demand Forecasting

- Techniques for projecting critical job demand
- Talent supply and demand analysis
- Workforce analytics and data-driven decision making
- Identifying and addressing skill gaps

Day 3: Talent Acquisition and Succession Planning

- Employer branding and EVP development
- Recruitment strategies for the digital age
- Succession planning and talent pipeline building
- Talent mapping and review processes
