Corporate Governance in Islamic Banking and Finance Course

Ref: 322763_237147 **Date:** 1 – 5 August 2027 **Location:** Riyadh (KSA) **Fees:** 4200 GBP

Course Description

This intensive 1-week course provides a comprehensive overview of corporate governance principles and practices in Islamic banking and finance. Participants will gain in-depth knowledge of Shariah-compliant governance structures, risk management strategies, and ethical considerations unique to Islamic financial institutions. The course combines theoretical foundations with practical case studies to ensure a well-rounded understanding of the subject matter.

Learning Objectives

- Understand the fundamental principles of corporate governance in Islamic finance
- Analyze the role of Shariah boards and their impact on governance structures
- Evaluate risk management strategies specific to Islamic financial institutions
- Explore ethical considerations and social responsibility in Islamic banking
- Develop skills to implement effective governance frameworks in Islamic banks

Course Modules

Day 1: Foundations of Islamic Banking and Governance

- Introduction to Islamic finance principles
