Financial Advisor Foundations: Building Your Career in Finance

Ref: 322803_237315 **Date:** 3 – 7 October 2027 **Location:** Jeddah (KSA) **Fees:** 4200 GBP

Course Description

This intensive 1-week course provides aspiring financial advisors with a solid foundation in the key competencies required for success in the field. Participants will gain practical knowledge in financial planning, client communication, ethical standards, and business development. Through a combination of theoretical concepts and hands-on exercises, attendees will develop the skills necessary to launch and grow their careers as financial advisors.

Learning Objectives

- Master the fundamentals of financial planning and wealth management
- Develop effective client communication and relationship-building skills
- Understand and apply ethical standards and regulatory requirements
- Learn essential business development and practice management techniques
- Gain proficiency in financial analysis and investment strategies

Course Modules

Day 1: Introduction to Financial Planning

- Overview of the financial planning process
- Understanding client goals and risk tolerance
- Fundamentals of personal finance and budgeting
- Introduction to investment vehicles and asset allocation

Day 2: Client Communication and Relationship Management
