Marketing Strategy in the Oil and Gas Business Course

Ref: 322945_237782 **Date:** 28 March – 1 April 2027 **Location:** Riyadh (KSA) **Fees:** 4200 GBP

Course Description

This intensive 1-week course equips participants with the knowledge and skills to develop effective marketing strategies in the competitive oil and gas industry. Covering both traditional and digital marketing approaches, the course explores industry-specific challenges, B2B strategies, and emerging trends. Participants will learn to create tailored marketing plans that drive business growth and enhance brand positioning in the global energy market.

Learning Objectives

- Develop a comprehensive understanding of marketing dynamics in the oil and gas sector
- Master digital marketing techniques specific to the petroleum industry
- Create effective B2B marketing strategies for oil and gas products and services
- Analyze global market trends and adapt marketing approaches accordingly
- Design a customized marketing plan for your organization

Course Modules

Day 1: Introduction to Oil & Gas Marketing

- Overview of the global oil and gas market
- Marketing challenges specific to the energy sector
- Key players and stakeholders in the industry
- Developing a unique selling proposition USP

Day 2: Digital Marketing in the Petroleum Sector

- Leveraging social media for B2B marketing
- Content marketing strategies for oil and gas companies
- Search engine optimization SEO for industry-specific keywords
- Data analytics and performance measurement

Day 3: B2B Marketing Strategies
